Philosophy

Although the theme of the program is soccer, the real emphasis is to provide a fun, fast-paced series of games and activities for the children. Moreover, it offers physical challenges to these young players at a time when they are developing their motor and cognitive skills and gives them the opportunity to build social relationships with their peers. The instructors have been selected for their patience and fun personalities as well as their ability to work with very young children. All coaches hold a USSF or NSCAA coaching license.

Player Equipment

All players should bring a size 3 soccer ball to each session. The player's name needs to be marked on the ball to identify it from the other balls at camp. Soccer balls can be purchased from GESA at a cost of \$20 and will be available at the first session. Players must wear shinguards, soccer shoe or running shoes. It is recommended that each player also have a water bottle and a snack.

Dismissal from Camp

At dismissal time, we ask that all players be signed out at the checkout point and not leave until this is done. This ensures that we can appropriately supervise the players' departure. Any player not leaving with a parent needs to have written parental consent. We request that you respect the integrity of the system. Please be at pick-up on time.

Inclement Weather Policy

In the event of inclement weather please check the web site www.GreaterExperienceSoccerAcademy.com to determine if the session will take place. All sessions will be cancelled one hour prior to the start time. In the event that a session is cancelled due to the weather a make-up date will be scheduled. If more than one session is cancelled due to inclement weather we will make every attempt to find an alternative date for the missed session (s). **No refunds will be given for days lost due to inclement weather.**
